## 1) Minutes and Actions

# LOUGHBOROUGH STUDENTS HIKING

- The last minutes of the meeting dated **27/03/17** were agreed as a true and accurate record of the meeting.
- All actions recorded in the minutes from that meeting were completed by the stated deadline save for those listed below.
- KG emailed the bus company, and will now email again to pass on the number of people needed.
- AF will pay JR the money he and JH owe.
- Kit is at AF's so AV can't do kit inspection.
- AV and KG got trip descriptions up on the website.
- Sweets were brought

## 2) Previous Trips

### Scotland - 23/04/17 - 28/04/17

- New survival shelters needed, one person said there were not enough to go around, which is an issue as this trip is the most potentially dangerous. Another said they need more for sledding.
- There may be some confusion about what a buff is so could be clarified so all members know what kit is recommended.
- Perhaps we could get some more ice axes, club had two but one went amiss in an axe throwing game so would be wise to get another.
- Mentions of club members being supportive and encouraging which is always nice to hear.
- Good reviews of the food, although some said the fried breakfast was a bit too much and perhaps a less heavy breakfast like porridge, toast, or cereal should be rotated in.
- Everyone liked the S'mores.
- Someone wanted to play settlers

- There was an issue with one walk that had not been properly scouted and there were some communication problems. We need to make sure that in future routes are better planned and we know where walkers plan to be for safety precautions.
