1) Minutes and Actions

- The last minutes of the meeting dated 12/11/19 were agreed as a true and accurate record of the meeting.
- All actions recorded in the minutes from that meeting were completed by the stated deadline save for those listed below.
- We have bread and terrible puns
- People still have kit to return to OG
- Pagers are not feasible

2) Previous Trips

Snowdon - 25/10/2019 - 27/11/2019

- TJ has survey results!
- Everyone thought transport was appropriate, so the validity of their later judgements is questionable.
- Someone suggested we insist upon gloves for scrambling and appropriate underwear for tarn bagging, which is fair enough. If we reuse the bunkhouse, we should recommend people bring pillows. We should also bring whistles.
- Not the greatest bunkhouse but it was affordable.
- Walks were fine by and large, one call for more choice
- Call for more veggie choices and soya milk, so we will work on it for future trips.
- 100% would come back, thought it was value for money and thought it was really well run, so well done everyone!

Navigation Weekend - 15/11/2019 - 17/11/2019

- **AG to send out survey.**
- "It was alright."
- Bad roads at the bunkhouse, and it wasn't a great bunkhouse but it was affordable. It's the staple Nav Weekend bunkhouse but might be time to cross it off the list.
- Could have maybe done with some more food.

3) Upcoming Trips

- TJ is looking at routes.
