1) Minutes and Actions

LOUGHBOROUGH STUDENTS HIKING

- The last minutes of the meeting dated **13/03/17** were agreed as a true and accurate record of the meeting.
- All actions recorded in the minutes from that meeting were completed by the stated deadline save for those listed below.
- JH has enquired about committee hoodies and is waiting for a response.
- Logo development 😊 Looks great and is in nice mountainy colours. JH will explore more, and find out logo guidelines.
- **AZ will get links from BP regarding mountain conditions, and will upload her committee profile.**
- **AF has started paying JF.**
- AZ has sent out feedback forms.
- JR has refunded AW, everybody but AF has paid for trips.
- AZ is going to get a refund for Scotland trip.
- Go Outdoors trip occurred.
- JH made a post for hiking puns, which was well received with a high level of involvement. Some puns are good but it seems people prefer the original "Fancy a cheeky peak". Poll will remain open for continuing discussion.
- Food is in HM's shed, **AV will do inspection at some point.**
- JF is increasing the health standard of committee members.
- We thought the google issue had fixed itself, but alas, it has not. **It will be finished by the completion date.**

2) Previous Trips

Snowdonia - 10/03/2017 - 12/03/2017

- Feedback forms showed that on the whole people were very happy with the trip.

- Flagged up that AF cannot reverse, that roundabouts posed a challenge, and he got lost on the way back from Snowdon.
- Kit list was appropriate, although one suggestion that people should bring earplugs/earmuffs to dampen out snoring.
- First aid kits not passed out, members doing one walk left earlier so they did not have time to pick up club kit like whistles etc., although since they mostly had their own kit this was not a problem.
- A person who maybe was under the illusion that this is Glamping Club wanted a duvet.
- Not enough showers.
- One mention that someone's route leader did not keep them informed, most likely to have happened on the Tryfan walk.
- Some were distressed by the snowy conditions at the top, ultimately it all ended well but perhaps best to check ahead of time the conditions to make sure everyone is prepared.
- Suggestion of planning easier descent paths, although this is heavily dependent on the mountain.
- Not enough food on the Saturday, especially for those that did the harder walk and therefore need to eat more to replace calories lost. One request for two sandwiches rather than one to solve this.
- **AV and KG actioned to change the spreadsheet to allow for more food and teabags.**
- A call for new condiments that are not mouldy, for more cake and less veggie options as some people wanted more meat, and apparently dessert was burnt. Others said the banana cake was good.
- One person said there were not enough group activities.
- One person said the trip was not worth it.
- Idea to make S'mores, which is a good social activity and everyone loves setting fire to things.

3) Upcoming Trips

Scotland – 23/04/2017 - 28/04/2017

- RP has not sent out the email yet, **KG will pester him to do so.**

LOUGHBOROUGH STUDENTS HIKING

- We have 6 drivers at present.
- Currently 18 people on trip, if the last two spaces are filled than KG will look for another driver.

Semester Three Trips

- Buses have not been emailed yet, **AZ will do it.**
- Mystery Trip - the place we have booked have said we can bring cash on the day which is great because it means it will be easier if people drop out.

4) Socials

- Punch party tomorrow, **HM will go get drinks tomorrow.**
- Making a playlist for the punch party.
- Recruiting certain members to make punch.
- There will be prizes for the best outfit.

5) Publicity

- JH has made a great logo that everyone likes.
- Waiting for Aidan to get back in touch.
- JH is still looking for affordable pants, but will wait to make a poll regarding pant types lest people think she's abusing facebook polls.

6) Treasurer

- ~£6000 after paying for bunkhouse and claims and fuels.
- Petrol and food payments for Scotland have still to come out.

7) Webmaster

- Standard website complaints.
- The usual hating on the colour scheme.
